**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and our local internet provider Sonic Internet. Sonic is the only local provider where we can get gigabit internet at a reasonable rate. Without them, we would be paying more for a slower internet connection. We have come to rely on Sonic's gigabit speed for our personal, school and entertainment use. We need more broadband competition, not less! Thank you.
